An essential condition of action like Caller under S. 188 of the Cr. P. Code is that the persons proposed to be tried must be on trial for the Kidnapping of Mysore. All the three accused in the present case are servants of this Govt. & I have therefore mentioned in the draft that they are Mysore subjects.

Sir,

I have the honor to report for the information of Government that on the 28th April last, the Revenue collections of the villages of Bommagatte, Gouripur and Buddenahalli in the Molacalmuru Taluk to the extent of Rs 400/and odd were sent in charge of Talwar Fakira and Segar Bheema of Bommagatte village to be delivered at the Molacalmuru Taluk Treasury and a constable by name Syed Hussain was also deputed by the Police Daffedar of the Bommagatte station to escort the remittance. The party left

the

the village early in the morning of the 28th, and while passing a village of the Koodlegi Taluk of the Bellary District on their way to Molacalmuru, the Police Constable prevailed upon the Talwar and the Begar to join in a Conspiracy to fabricate a Complaint that they had been robbed in view to the Government money being distributed among themselves.

2. Accordingly the money was distributed by the Constable who and the Talwar having gone back to Bommagatte, reported that the Government money had been robbed along with the Uniform of the Constable and the Clothing of his accomplices

3. The matter was duly reported to the Police of the Koodlegi Taluk within whose jurisdiction the scene of the alleged offence lay and the Police of that Taluk arrived on the scene. The Amildar and the Police Inspector of the Molacal-muru Taluk on receiving the information also hastened to the spot. In the joint enquiry held by both the authorities, it was elicited from the Begar that the report of the occurrence of dacoity was a Concoction and the money and Clothing

alleged

alleged to have lost were discovered.

4. All the Government money minus 12 annas which could not be satisfactorily accounted for, has been recovered. The Constable, the Talwar and the Begar have made clear admissions before the Amildar Magistrate of McCaealmuru who caused their arrest on the requisition of the Police Inspector of the Koodlige Taluk.

5. The Police Superintendent of Bellary has since intimated to the Police Superintendent of this District that no dacoity having been committed within his jurisdiction, the public servants who were entrusted with the Government money may be proceeded against in this District for such other offences as may be made out against them.

6. The Amildar Magistrate now reports that the 15 days remand granted by him having expired, the Koodlige Police have applied for a further remand for 15 days. The Amildar Magistrate has no authority to grant the same in a case under Police investigation. I have therefore directed the McCaealmuru Police to place the accused before the Second Assistant Commissioner

the village early in the morning of the 28th, and while passing a village of the Koodligi Taluk of the Bellary District on their way to Molacalmuru, the Police Constable prevailed upon the Talwar and the Begar to join in a Conspiracy to fabricate a Complaint that they had been robbed in view to the Government money being distributed among themselves.
